02 - THU. Trondheim - Kristiansund - Kvernnes - Atlantic Road - Molde

After some time exploring the heart of Trondheim, we'll continue our journey. Today, we'll take in stunning views of the coastline and fjords along the Norwegian Sea. We'll cross one of these fjords by ferry before arriving in Kristiansund, a city celebrated for its beautiful natural surroundings. Traditionally a fishing hub, Kristiansund is spread across several islands connected by bridges and embankments, giving the city its unique character. The charming city center features cobblestone streets, shops, restaurants and cafes. We'll have time to stroll around and enjoy lunch here. Later, we'll travel through scenic landscapes to visit the Kvernnes Stave Church (admission included), a 14th-century treasure that houses an incredible 300-year-old ship model and altarpieces dedicated to the Virgin Mary. Our route will then take us along the famous Atlantic Road, often considered the most beautiful stretch of road by the ocean in Norway. This spectacular drive crosses eight bridges that connect various islands. At times, the ocean's swell crashes against the coast, heightening the dramatic beauty of the scenery. We'll stop at one of the viewpoints

to soak in the views before continuing to Molde, where we'll arrive by evening. This vibrant town, nestled along its fjord, is a regular docking point for cruise ships.

03 - FRI. Molde - Geiranger - Briksdalsbreen - Loen

We'll experience a day of breathtaking beauty, with World Heritage Site fjords, glaciers, and picturesque towns along our route. Our adventure will begin with a ferry crossing of the Romsdal Fjord, a 50-minute journey through stunning landscapes. From there, we'll ascend into the snowy mountains, and then descend towards the stunning Storfjorden, where even more breathtaking views await. Another ferry ride (30 minutes) will take us past snow-capped peaks to the Eagle Viewpoint, overlooking the Geiranger Fjord, one of the most spectacular viewpoints in Norway. Next, we'll arrive in Geiranger, home to a fjord that has been designated a World Heritage Site. This area is considered one of the most beautiful landscapes in the world. You'll have free time to explore—perhaps take a boat ride along the fjord, stroll beside the waterfalls that flow into the town, or relax in the village. After lunch, we'll continue through impressive mountain landscapes and fjords. Our next stop will be Briksdalsbreen, an awe-inspiring glacier set in a stunning natural location.
